Dear Jignesh Khilani,

Yesterday, being Akshaya Tritiya, it gave us immense pleasure keeping Kalash in the newly acquired 3 BHK flat in HS Alag. Everyone in the family liked the flat very much. We are extremely thankful to you, dear Jigneshbhai for making our dream come true well before the stipulated date. God bless you.

As a child of 7-8 years you were my wife's patient. When we met you 3 years back, you immediately said that as a child you were our patient. Since that day, you have shown immense respect to us and treated us as a fatherly figure. That day we decided that if we buy a house, it will be from Jignesh. You briefed us about your upcoming projects. We immediately paid you token amount, even and well before the RERA plans were sanctioned and even before demolishing of the redevelopment building. You made lot of changes in your proposed plan to suit our requirements so that they can be incorporated in RERA plan. Looking at your qualities like trustworthiness, faithfulness, sincerity, approachable, helpfulness, we never enquired about other projects as to what they are offering or how much they are quoting. As you treated us as a family member, it was our duty to buy the house only and only from you, which we did.

You are a charming young dashing personality, always smiling. "No" word is not in your dictionary. If we come up with any request, your answer normally would be "Ho jayega". Never demanded for money, always said, give it at your convenience.

We are extremely thankful to you from the bottom of our heart. Congratulate you on timely (before time) completion of all your projects. We wish you Best of Luck for your future Projects and May God Bless you in all your future endeavors. We wish your Company "ALAG Group" a great Success and rise to great heights and make a Big name and mark in our society. GOD BLESS YOU.

Regards,

Dr. Anil Karadkar
